TERMS AND CONDITIONS

- The Aruba Buy 5 for the price of 3 IAPs Promotion permits a single end user customer to purchase a maximum of fifty (50) Aruba IAPs.
- Discount is calculated based on a recommended promotional price equivalent to the Aruba published list price or recommended retail price (RRP).
- Actual price (and the resulting discount) may vary accordingly to Reseller.
- End user customers must order a minimum quantity of five Aruba IAPs to receive the promotional discount (1 Bundle = 5 units).
- End user customers have the option to purchase a one (1) year Aruba Central Cloud Management license with two tokens for \$30.00 (recommended promotional list price). The maximum number of license bundles that may be purchased by an end user customer under this promotion is fifty (50).
- End user customers may purchase the IAPs, or one-year Central license bundle, or both.
- Accessories including mounting kits and antennas are excluded from this promotion.
- This Promotion cannot be combined with special pricing, or any other promotion or benefit.
- Aruba reserves the right to terminate, alter, or modify these terms and conditions at any time.

It's time to think differently about managing your network.

Wi-Fi That Just Works.

Industry leading Aruba Instant Access Points provide the performance and reliability that IT organizations need today. Apps respond faster, devices stay connected, and users experience the freedom to roam.
